RULES & REGULATIONS  
(\*required field)**

The North American Customary Lumberjack competition rules, as stated in the most recent version of the North American Axeman's News, will be observed.

The following rules supplement the customary rules:

1. **Only contestants and contest officials will be permitted on the Contest Platform and inside the fence.** Ample viewing areas are available on a raised platform adjacent to the competition area.
  2. **All contestants must be 18 years or older.**
- **Chain Sawing Rules:**
    - Competition will be limited to one person chainsaw with 1-cylinder, 2 cycle standard chainsaw engines. Only those engines which came with the saw as standard equipment may be used. **Absolutely no motorcycle engines permitted.**
    - Saws will be inspected prior to the contest. If the judges determine that rivets have been filed to an unsafe level, the saw will be disqualified. **JUDGES DECISIONS ARE FINAL.**
    - Times in this event will be judged on three (3) cuts through one 10"X10" yellow poplar cant. The cuts will be down, up, down.
    - Operators must have both hands flat on the top of the timber with the entire hand on the wood prior to the start of each heat. **A penalty for early starts will be assessed.**
  - **Crosscut Sawing Rules:**
    - Crosscut times will be judged on the elapsed time of two (2) down cuts through a 10"X10" yellow poplar timber.
    - Jack & Jill and Jill & Jill crosscut times will be judged on the elapsed time of one (1) down cut through a 10"X10" yellow poplar timber.
    - **No starts of the cut will be allowed for any contest.**

- **Chopping Rules:**

- **The number of chopping blocks that are available in the event will determine the number of contestants permitted. The contestants will be selected in the order applications are received.**
- Times will be judged on the elapsed time to complete chop through a 10”X10” yellow poplar block mounted horizontally on end supports (provided).

- **Tree Felling Rules:**

- **The numbers of contestants permitted in the event will be limited to 25 and will be selected in the order applications are received.**
- Contestants for the Tree Felling Contest are to fell a yellow poplar pole with an axe, attempting to hit a stake driven in the ground at a pre-determined point from the base. Any pole striking the stake in any manner before hitting the ground will be considered a hit.
- **The contestant is not to touch the pole as it falls or guide it in any manner.**
- **The contestant may not push or lean the pole in any manner prior to chopping.**
- Contest will be judged on accuracy. In case of a tie, or two or more hits, the winner will be selected on the basis of time.
- For near misses, the distance will be measured from the place the pole first hits the ground.
- **Only the judges may handle target stakes.**

- **Axe Throwing Rules:**
